

2009 BOMA-Atlanta Shared Interest Group (SIG)

NEW in 2009!

Shared interest groups are informal networks of individuals who share a common interest. Signing up for one of BOMA-Atlanta's shared interest groups ensures you will be informed of educational events and networking opportunities in your area of interest.

Medical Office Building SIG. Are you a medical office building property manager, building engineer or product/service provider interested in medical office buildings? By signing up for this SIG, you will be kept informed of educational opportunities specifically related to the medical office building community.

Young Professionals SIG. By signing up for the Young Professionals SIG, you will be kept informed of activities specifically designed for young professionals, including networking opportunities and seminars. Programs are targeted to individuals 35 years old or younger.

BOMA-Atlanta special interest groups operate on a calendar year basis.
